# Postojna Cave and Lipica Horse Farm!

## POSTOJNA CAVE

Our first destination is Postojna Cave in Slovenia, renowned as the queen of all caves and the world's most famous. This underground network of caves is filled with an array of stalagmites and stalactites that are sure to amaze you. The cave has a unique railway system built over 140 years ago that will take us through its underground corridors, galleries, and halls. Lunch is included as well as a photo stop at the picturesque Predjama Castle.

## LIPICA HORSE FARM

Next on the agenda is a visit to Lipica, the home of the legendary Lipizzaner horses and the world's largest Lipizzaner stud farm. We will have a guided tour, exploring the historic grounds including Velbanca (the oldest stable), the Jubilee Stable, and the Lipikum Museum, while meeting more than 300 graceful white horses across over 300 hectares of lush pastures. Whether you're passionate about horses or simply seeking a unique cultural experience, Lipica offers an unforgettable journey into living European heritage.
