PULA

We will discover the ancient wonders of Pula on a captivating guided walking tour through this historic Croatian coastal city. Explore the remarkably preserved Roman Amphitheatre, one of the largest arenas in the world, where we'll step back in time to the days of gladiatorial combat. Wander through charming streets as your knowledgeable guide brings centuries of fascinating history to life.

**TRUFFLE HUNTING -
ISTRIA**

Cost: \$300 per person

After exploring Pula, we will drive North through the delightful Istria peninsula for a fun truffle-hunting experience. We'll be hosted by a third-generation truffle-hunting family who will educate us on truffles before taking us on a hunt with the cutest dogs ever! Included is a delectable lunch with several of the dishes incorporating truffles!

The best part of the entire experience, besides the dogs, is all the food served is local, fresh, and organic!
